## Editorial comments:

SP 84/9/106 f. 254r - 256v. Memorandum entitled 'Matters to be related to her Majestie'. This is an excerpt of a paragraph concerning Herle from a list of different matters to be raised with Queen Elizabeth.

## Address leaf:

[fol. 256v]

[Endorsement by unknown hand:] Maters to be related to her Majestie touching the [discontentments] with and Doubtes found [ ... ] of the Principal noblemen of the United Provinces. June 1586

## Letter text:

[fol. 254r] [marginalia by unknown hand: Grave Egert] Egart Grave of Embden, is wholly devoted to the K of Spayne, and hath lately received the order of the golden fleese: His L. sent master Hearle unto hym of late in her majesties name: his intertaynment was could & contemptible deliveringe in effect unto hym, that he was indifferent, to talk either peace, or war: his L. in this respect, thincketh hym unworthy; to have the benefitt of the trade & traffick of our marchants any longer.
